Price Increase Announcement

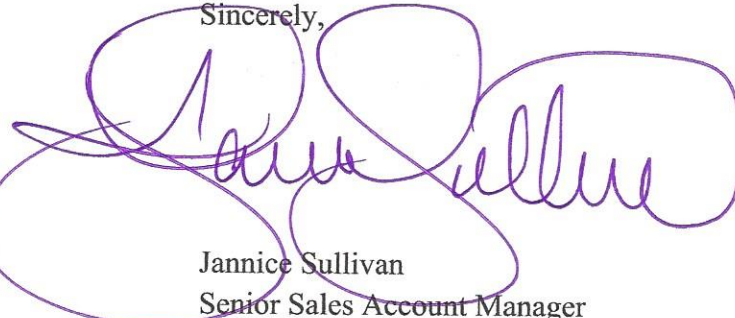

To our Valued Customers:

I am writing to inform you that we are seeing steady increases these past few months from the steel mills. As a result, Eastern Metal Building Products will be raising our prices for our EB Metal products a minimum of 10% effective 3/20/23.

EB will honor all quotes from awarded jobs in place. *Any job quotes that are not awarded within 30 days after issuance are invalid.* Please review any open job commitments with your customers.

We appreciate your support and look forward to providing the best service and market price during these unsettled times.

Sincerely,

Jannice Sullivan
Senior Sales Account Manager
